PUBLISHED BY THE SENIOR CLASS OF  
HIGHLAND SPRINGS HIGH SCHOOL

# Foreword

Now as we go out into the world  
from this, our Alma Mater,

We take upon our shoulders a share  
of the trouble and turmoil of the world.

We not only take with us the thoughts  
of good times never to be forgotten

But we at last realize those ideals of virtue—that we  
once thought only existed for dreamers—are real.

For this realization alone, we are more than compensated  
for the years of doubt and hesitation.

Though we forget our equations and conjunctions,  
we will always strive to keep these principles.

For one who has poured out her heart to us

and helped accomplish our goals;

For her, who has given us a helping hand in times

of strife

and a loving smile to ease our troubled minds,

We, the seniors, dedicate this edition of THE HIGHLANDER

to our sponsor, Miss Janet Bingner.

## Junior Class History

We organized on that grand day, September 27, 1944. What a day! What a noise! We chose Miss Powell and Mr. Berry co-sponsors; Maxine, president; Earlene, vice-president; Patsy, secretary; and to Jimmie we gave the job of keeping our change. ★ Athletics! What fun! Jimmie, Tex, Richard, Puggy, Johnny, Archie, Courtney, Rosemary, Marjorie, and Hazel really did us justice—and imagine how proud we were of our football captain, Tex, and co-captain, Puggy, and basketball captain, Archie. ★ The S. C. A. took many of our outstanding Juniors as leaders. Among them were Alice Lee, vice-president; June, secretary; Rosemary, chairman—Athletic Committee; Jeneen, Red Cross; and Catherine, Bulletin Board. To that great honor fraternity we sent Patsy, June, Wilfred, Lewis, Ellen, Norma Jean, Gwendolyn, and Peggy. ★ Boy! the Junior-Senior Dance finally came and even after all that work it was worth it! We arrived that night on the dot of eight in formals and tuxs. No one will ever forget the flowers, soft lights, music by the G. I. Band, Christmas trees, and the figure to the tune of "White Christmas"—Gee, we all had fun! ★ And last but not least to end our Junior year, we witnessed Commencement and said farewell to our friends—The Seniors!

THE Student Cooperative Association operates for the benefit of the student body and is open for membership to all classes of the high school. The governmental body is divided into various committees with each homeroom being represented by one member on each committee. Officers are elected annually by the students. The president is a Senior and other officers may be Juniors or Seniors. All school activities which include auditorium programs, sports, school improvement, and dancing are sponsored by the S. C. A. Each year it sponsors one or more party-dances which all members are invited to attend.

## *Central Committee*

THE Central Committee, which is composed of the four major S. C. A. officers and a representative from each homeroom, acts as an advisory group and clearing house for all other committees. It handles problems concerning the general welfare and good of the school. School funds are deposited with this committee and the treasurer makes his reports at the regular meetings which take place twice each month.

FRONT ROW—LEFT TO RIGHT: Lucille Seward, Joretta Holder, Josephine Pack, Catherine Carroll, Jean Hunt, Virginia Bauer, Alice Lee Harrison. SECOND ROW: Miss D. THIRD ROW: John Hermann, Watson Driskill (Chairman), Charles Stafford, Walter Beninghove. FOURTH ROW: Richard Bell, Freddie Wright and David McChesney.

## *Victory Committee*

THE Victory Committee of Highland Springs High School, in accordance with the demand from the U. S. Treasury for multiple sales of war bonds and stamps, has increased its efforts by doubling last year's quota until the present goal now stands at \$20,000. During the 6th War Loan Drive, the Committee collected \$3,000 by their sales which was used in purchasing a liaison plane. A football game and a victory dance held as war bond benefits met with outstanding success because of the whole-hearted cooperation of the student body. The Victory Committee is certain that future social functions used for the same purpose, will be recognized by the students as combining pleasure with good work and will receive complete patronage.

FIRST ROW—LEFT TO RIGHT: Shirley Edwards, Virginia Pack, Lucella Creger, Evelyn Baker, Diana Arrighi. SECOND ROW: Marion Johnson, Margaret Fisher, Jeanine Usry, June Ritchie, Mary Lou Neal, Miss H. Cavanaugh. THIRD ROW: Seth Tinsley, Sidney Alexander, James Madison, Hubert Holzbach, Edwin Cullingsworth, Jimmy Smith.

## Red Cross Committee

THE Red Cross Committee encouraged membership in the Junior Red Cross and approximately 400 members joined. We took part in all plans made by the National Red Cross Association. We filled eleven Christmas boxes for children overseas; collected books, puzzles, toothbrushes, ashtrays for our soldiers, and we have rolled bandages to be sent overseas. We sponsored the Christmas Seal drive and collected \$216.78. We have received 7,000 pounds of paper. We had a drive for bottle tops, which were used by the government for National Defense. We also sold Red Cross symbols, which brought in a considerable amount. ★ Our sponsor, Miss Wright, left in December. Mrs. Watson was our sponsor for the second term.

FIRST ROW—LEFT TO RIGHT: Lee Austin, Billy Melton, Roy Slaughter. SECOND ROW: Vivian Ward, Dorothy Richardson, Gwendolyn Richards, Ramona Beck, Patricia Carroll, Ann Meredith, Joyce Tyler. THIRD ROW: Grace Kahn, Kitty Fulwider, Jeneen Baker (Chairman), Virginia Fulwider, Marjorie Dyer, Ollie May Michaux, Joyce White, Miss Wright (Faculty Sponsor), Elsie Beacham.

1945 ♦ THE HIGHLANDER

## Service Committee

THE Service Committee was sponsored by Miss Koch with Violet Ritchie as chairman. The primary job of this committee was to keep in touch with as many as possible of the boys and girls from our school who are now serving in the armed forces. This committee met for the first time on December 11, 1944. On this day, the committee elected Ann King for vice-chairman, and Ann Couch for secretary. ★ News about students and teachers, S. C. A. activities, and athletic activities was collected monthly by the members of the committee. This was then formed into a very interesting letter to be sent to each of the boys and girls in service whose addresses we had received. During the year we sent three of these letters. ★ Our committee also made a bulletin board display illustrating the work done during the year. ★ Another, and an important job the committee carried out, was sending convalescent and sympathy cards to pupils when appropriate.

FIRST ROW—LEFT TO RIGHT: Ann Couch, Roy Richardson, Miss Koch (Faculty Sponsor), Peggy Cridlin, Ann King, Claude Dawson, Alice Technik, Billy Snead. SECOND ROW: Geraldine Melton, Joyce Hall, Charles Madison, Robert Davis, Violet Ritchie (Chairman), Mabel Robins, William Chalkley, Violet Johns, Annie Mae White, Louise Underwood.

## House and Grounds Committee

THE main duty of the House and Grounds Committee this year has been to promote cleanliness in the school and on the grounds. Methods of keeping paper off the grounds were discussed at every meeting. The girls on the committee were responsible for keeping clean bed linen in the sick room. We have also supplied the boys and girls dressing rooms with soap and mirrors. ★ A bulletin board was prepared by the members showing the work of our committee.

BACK ROW—LEFT TO RIGHT: Watt Flippo, Bill Cooley, Mary Michaux, Harry Derr, Welford Bowker. SECOND ROW: Miss Summers (Sponsor), Eugenia Tarcen, Jean Gatewood, Margaret Weirup, Arlene Putze, John Henry Marano. FIRST ROW: Melvin Harvey, Jimmy Kahn, Bobby Rhone, Paul Munden, Jack Nimon, Morris Jones.

## *Athletic Committee*

THE Athletic Committee was made up of one representative from each homeroom and met on the average of twice a month. Its duties consisted of promoting better school spirit, advertising all games, taking care of the financial arrangements of all games, furthering good sportsmanship, recognizing outstanding athletes and getting more student participation in games.

FIRST ROW—LEFT TO RIGHT: Leon Burnett, Charlotte Walker, Mrs. Ward (Faculty Sponsor), Althea Kuhl, Rosemary Cox (Chairman), Buddy Norvell. SECOND ROW: Phil Cox, Linwood Carneal, Jimmy Stewart, Jimmy Haun, Tex Atkinson, Jimmy Johnson, Linwood Layton, Ralph Derr. THIRD ROW: Archie Conner, Robert Meginley, Billy Turner, Charles Holmes, Johnny Miller, Bobby Smith.

## *School Entertainment Committee*

THE school entertainment was sponsored by Miss Rutherford with Marilyn Lee as chairman. The duty of this committee has been to put on programs in the auditorium for the benefit of the student body and to plan programs for special occasions. ★ We started off with a series of football pep meetings. We had special programs for Thanksgiving and Christmas. Programs were presented by the Beta Club and the Victory Committee. We sponsored the sale of season tickets for the professional entertainments and advertised each of the programs. We planned a special May Day which was presented by the girls physical education classes.

FIRST ROW—LEFT TO RIGHT: Burke Owen, Roy Kirby, Greer Bishop, Danny Smith. SECOND ROW: Mary Alice Reyes, Catherine Gammon, Barbara Alexander, Earlene Muire, Norma Jean Davis, Jane Taylor, Miss Rutherford (Faculty Sponsor). THIRD ROW: Joyce Atkisson, Phyllis Smith, Marilyn Lee (Chairman), Ann Wilkerson, Phyllis Hufner. FOURTH ROW: Arthur Samuels, Stuart Feitig, Don Hanson, Hill Carter.

## *Bulletin Board Committee*

THE Bulletin Board Committee has tried to provide the school with attractive and interesting boards. These displays have kept the students informed about school activities, War Bond and Red Cross Drives, holidays, and special events. ★ Our sponsor for the first part of the year, was Mrs. Stansbury, who left us in December. Since January, our sponsor has been Mrs. Creeger.

LEFT TO RIGHT—SITTING: Kathryn Williams, Ruth Stillman, Mrs. Stansbury (Sponsor), Catherine Lipscomb (Chairman), and Josephine Bidgood. LEFT TO RIGHT—STANDING: Joyce Wood, Helen Winter, Bernice Royall, Jeanette Windsor, Alice Fidler, Alta Mae Cook. TOP ROW: Lewis Garber, Wesley Williams and Terry Martin.

## *Library Committee*

THE Library Committee's aim was to encourage the students to read the weekly periodicals and other material that may be of use to them. ★ In addition, the committee collected 7,500 pounds of waste paper, and the proceeds from this was used to buy 175 new books. ★ The total attendance of the library for the past year was approximately 25,240 which put into circulation 6,406 books.

LEFT TO RIGHT: Doris Leonituk, Rachel Nolte, Eva Cook, Miss Plunkett (Faculty Sponsor), Beverly Hopkins (Chairman), Elsie Bottoms, Mary Lou Keck, Mary Tucker, Virginia Meador, Jerry Marshall, Doris Madison, Ada Lee Carver, Betty Egan, Ann King, Clara Stengel, Diana Harless, Rita Applewhite, Edith Gephart.

## Hi-Times Staff

THIS year our committee, which had been called the Bulletin Committee, renamed itself *The Newspaper Staff*. We took the first few steps in changing our S. C. A. Bulletin into a school newspaper. ★ This was made possible by increasing our staff until it included the Editor-in-Chief, Joan Hartsook; Art Editors, Billy Burke and Marshall Brushwood; News Editors, Noble Brown and Jean Verlander; Feature Editor, Alice Technik; Sports Editors, Charles Derr and Freddie Wright; Literary Editor, Joyce Hollins; Scoop Editor, Bobby Lanier; Typists, Alice Technik and Joyce Hollins; and our sponsor, Miss Tiller. ★ We conducted a contest to name our newspaper, and "Hi-Times" became its name. We again featured Wee Bonnie as our mascot and gave him added inspiration in his girl, Wee Bonnie Belle. ★ A representative of "Hi-Times" was present at all school events.

THE function of the school safety patrol was to instruct the school children in safe practices in their use of the streets at all times and places. The patrolmen this year were selected from the student body as a whole. We have had a nice group of hard working boys and girls. With the help of our sponsor, Miss Long, we have carried out our duty to the best of our ability.

## FOOTBALL TEAM

OUR football team, under the guidance of Coach "Herb" Berry, won four games, lost four, and tied one. ★ Our captain, and a mighty fine one too, was Tex Atkinson, and our co-captains were Irving Brooks and Henry "Puggie" Poindexter. ★ The football games drew large crowds and the students showed quite a bit of school spirit. Our cheer leaders worked hand-in-hand with our "Eleven" to make it a better football season.

We had a good time on these trips—singing, talking, and most of all, hoping we would win. ★ Although we came out on the losing side, we outnumbered our opponents by 13 points Highland Springs having 484 and our opponents 473.

## TRACK

MANY people think of track as a sport for individuals. Of course, the individual does the running, each trying to win on his own, but generally you do run with a group of boys. It takes a person with agility to really take part in this sport whole-heartedly. ★ Track has always been popular with boys. This year we have taken a greater interest in track and feel this interest will be lasting with Highland Springs.

## THE NATIONAL BETA CLUB

THE Highland Springs Beta Club Chapter was organized October 14, 1944, to recognize those students who have outstanding records during their years in high school. ★ The three principles of the Beta Club are leadership, achievement, and character. Our most important purpose is to encourage truth and loyalty throughout the school. ★ We appointed various committees that are necessary to have an effective club. We sponsored a student-faculty basketball game in order to raise money for the National Education Fund. ★ On March 1st we invited thirty-three new Betas in, by a candle-light, tapping, ceremony.

OUR MOTTO: *"We lead by serving others"*

FRONT ROW—LEFT TO RIGHT: David Bowker, Violet Ritchie (President), Marilyn Lee, Arthur Eberhard, Joan Hartsook, Miss Tiller (Faculty Sponsor). ## C4 CLUB

WITHOUT a doubt you've heard of the "C4" Club, but did you know we were "Cavanaugh's Crazy Combustible Chemists"? No—well maybe you haven't seen the school go up in smoke, but you should be in the lab on experimenting days—Or should you? ★ As for talent, we have no end of it. If you could have seen Chlorine Couch swooning to Lithium Layton, you'd agree that we really can perform. ★ However if you want to belong to a well-to-do club take chemistry next year and see if you can get through the term on 12c as we did. ★ Our outside activities included a bulletin board display, an exhibit in the library, various class demonstrations and experiments, and an auditorium program.

**OFFICERS:** Stuart Nuckols, president; Linwood Layton, vice-president; Ann Couch, secretary; Herbert Mihalcoe, treasurer.

**FIRST ROW—LEFT TO RIGHT:** Alice Hunter, Evelyn Baker, Violet Ritchie, Alice Fidler, Ann Meredith, Jeanette Windsor, Nancy Bussard, Miss Doris Cavanaugh. **SECOND ROW:** Joyce Mayo, Rosemary Cox, Phyllis Smith, Marilyn Lee, Ann Couch, Juanita Keck, Joan Hartsook. **THIRD ROW:** Watt Flippo, Herbert Mihalcoe, Linwood Layton, Hilton Sullivan, Leonard Bunting, Tyruss Nuckols. **FOURTH ROW:** Otis Stitzer, Stuart Nuckols.

## INDUSTRIAL ARTS CLUB

THE purpose of this club is to help ourselves, our school, and our community. This year the club reorganized and took in new members. Our main objective was to make improvements in the shop. The biggest of these improvements, was the building of cabinets to hold the tools and materials with which we work. ★ Following the theory that—"All work and no play makes Jack a dull boy"—we had several pleasure trips. We had three week-end outings on the Chickahominy and Pamunkey Rivers, plus two weiner roasts. We enjoyed working with the club very much this year.

OFFICERS: Archie Conner, president; Henry Poindexter, vice-president; Thomas Gillie, secretary; Courtney Purvis, treasurer.

## LOS DIABLOS ESPANOLES

ON January 26, 1945, our Spanish Club, Los Diablos Espanoles, was organized. The following officers were elected: President, Emma Technik; Vice-President, Phil Cox; Secretary, Joyce Tyler; treasurer, Phyllis Smith. There were sixteen members in the Club this year, and Mrs. Creeger acted as our sponsor. The Club met during fifth period, every Friday afternoon. ★ The purpose of the Club was to make us better acquainted with all of the Spanish-speaking peoples of the world. Throughout the year, we took up the geography, history, literature, customs, songs, and other things of interest about Spain and the Latin American Countries. Also, we spent some time this year framing and constructing the Pan-American bulletin board.

## Senior Class History, 1945

FRESHMEN . . . the mere word makes us shudder now. However, we *did* shudder when September 12, 1941, came forth on our calendars and we meekly ventured forth toward our "Happy high school days." As we looked the school over and it met with our approval, we decided to accept our routine life as a freshman—nice and green. In no time at all we became acquainted with, a "*homeroom teacher*"—"the lunch bell," slow but sure to sound,—the "*S. C. A.*",—Mrs. Wingfield's *English*,—"a senior",—the "*Columbia School of the Air*", and Miss Gill's wit. Teachers and organizations which we had heard our brothers and sisters gab about were actually a part of us now. We made new friends and felt ourselves growing up. Some of our newly-made associates were annexed at mid-term and we sorrowfully bade them goodbye. Mrs. Doris Turner, one of our freshman teachers, left us in the middle of the year to take Mrs. Allport's place teaching math. Miss Moorers came straight to us from the campus of William and Mary College to fill the new position. This class left the school a \$25 war bond in June.

As we were nearing the end of our hectic freshman year, we surprisingly discovered that the "green" was actually wearing off; one could see a small bit—a very small bit of armor shining through, for we had accomplished what any "sane" rat would term, a *struggle*.

On September 10, 1942, we emerged as gay young sophomores, tripping joyously back to school. We felt almost like alumni because we were fresh out of the core curriculum. So now we could scowl down upon the "rats" . . . we did. The fountains were well-polished, as they were to be "seats of honor" for some poor deserving freshman. This was the year we were to use shoe leather (change classes). Most of us found this extremely interesting, (for the first couple of days), except those entering Algebra I class. At the close of our sophomore year, we learned that we were going to lose our principal, Mrs. Bonnet. Our long faces showed that we would miss her. We no longer had anyone to call us "funny faces."

Our third year began with renewed enthusiasm as we were "Jolly Juniors." Our new principal, Mr. Brooks, became known to our class as a personal friend. We organized as a class November 18, 1943, with Mrs. Mabel Marks as our peppy sponsor. Our officers were President, Alice Hunter; Vice-President, Marilyn

Lee; Secretary, Frances Rose, and Treasurer, Irving Brooks, Jr. We had many objectives and we did our part to feather the eagle with stamps and bonds. We Jolly Juniors had 100% S. C. A. and Red Cross membership.

Our big event was to entertain the seniors with a "super-duper" dance, which we feel was a huge success. Mrs. Everett directed "The Crazy Smith Family", a play, of course, which the Juniors and Seniors presented on March 17, 1944. We were well represented by Watson and Marylou. Our class rings arrived in May and they automatically became our prize possessions.

Our Junior year was ending swiftly as we found ourselves decorating for the "Grand Ole Seniors".

September 12, 1944—the day our dreams were reality. Dignified seniors, we were. Our former sponsor, Mrs. Marks, left us to be with her husband. Miss Janet Bingner became our sponsor and was loved by all. Our officers were President, Alice Hunter; Vice-President, Lucille Seward; Secretary, Jeanette Windsor; Treasurer, David Bowker. Our class flower was the red rose and our colors were purple and white. Our most important goal that we worked for was to be a progressive class.

We were set apart from the rest of the "underclassmen" and given a home of our own, where Miss Cavanaugh and Miss Summers had to put up with us constantly. We began work on all our senior activities early, by reserving our caps and gowns, ordering our calling cards, and organizing a yearbook staff which met every Wednesday after school.

The Beta Club, which is a national honor society, was organized this year and many of the seniors were honored by being chosen to become members.

The end came closer at hand. The Senior banquet made us realize this more than anything else. It was our last social affair in high school, but we hope not our last forever. Though we, at one time or the other, wished we were out of school when things seemed tough—we regretted ever having made such statements now. This was it . . . our goodbye to fellow classmates, faculty, and Alma Mater. A goodbye we wish we did not have to bid—a goodbye we shall long remember because it came straight from our hearts. "Alma Mater, we'll remember the things that you've taught and love thee forever and do what we ought."

*Is the Seed of Success In You?*

That is the question that every young person faces as the time draws near for him to enter the business world. If you are able to save money, you can succeed; if not, you will fail! You may not think so, but you will lose as sure as fate for the seed of success is not in you. Life insurance is the only plan which not only assists you in saving money but guarantees the safest investment and the most secure protection. When you start out on your business career, start right. Put your dollars to work and save for the future the life insurance way.

*How to be Happy...*

A wise editor has written that there are seven ways to be happy and that the fellow who is smart enough to keep out of debt won't need the other six. To keep out of debt, one must learn early in life to practice thrift. There is no way to practice thrift that is safer and surer than the "Natural-Bridge" Way.

1945 ♦ THE HIGHLANDER

This is indeed a memorable year in many ways. As this Year Book goes to press Victory over our enemies seems nearer than at any time since Pearl Harbor.

Among the many memorable experiences we shall record in this war year will be the consideration and understanding of our customers. The many shortages of material and labor have caused perplexing and irritating problems which you have shared with good nature and sympathetic understanding and for which we are sincerely grateful.
